(Haryana) INDIA

ANNUAL REPORT

2020-21

Date: 09.07.2023

To,

All stakeholders of C&C Constructions Limited

Sub: Financial statements of C&C Constructions Limited for the financial year 2020-21

Dear Sir/Ma'am,

- (1) Enclosed herewith, are the audited financial statements ("**Financial Statements**") of C&C Constructions Limited ("**C&C, or Corporate Debtor, or CD**").

Background of Corporate Insolvency Resolution Process

- (2) The Corporate Insolvency Resolution Process ("**CIRP**") for **C&C** commenced on 14th February, 2019 ("**Insolvency Commencement Date or ICD**") through the order of National Company Law Tribunal ("**NCLT**"), Principal Bench, under the provisions of the Insolvency and Bankruptcy Code, 2016 ("**IBC, or Code**").
- (3) The undersigned, Navneet Kumar Gupta, was appointed as the Interim Resolution Professional ("**IRP**") for the CIRP of **C&C** under the NCLT order of 14th February, 2019. Thereafter, the IRP was confirmed as a Resolution Professional ("**RP**") for the CIRP of **C&C**, by the committee of creditors ("**COC**") of **C&C**, subsequently approved by the Hon'ble NCLT vide order dated 19th July, 2019. Further, by virtue of the application filed for Liquidation of C & C the NCLT vide its order dated 07th October, 2022 directed for Liquidation and have appointed him as a liquidator of the company.
- (4) Prior to the commencement of CIRP, the operations and decision making was governed and controlled by the former Board of Directors, comprising of several directors. However, after the commencement of CIRP, the powers of the erstwhile directors of **C&C** were suspended and the powers of Board of Directors vested with the RP under the extant provisions of the Code.

Disclosure of Limitations of Resolution Professional regarding enclosed Financial Statements

- (5) The enclosed financial statements for the reporting period of financial year 2020-21 pertains to CIRP period.
- (6) The Liquidator (erstwhile Resolution Professional), by way of signing the enclosed Financial Statements only intends to fulfil compliance and to do that further takes the said financials on record, in good faith, for the reporting period of financial year 2020-21 and discharging duties vis a vis compliance. The Liquidator (erstwhile Resolution Professional) has relied upon the audit conducted by the statutory auditors (audit experts) by complying with the applicable Audit and Assurance standards and the Liquidator (erstwhile Resolution Professional) has performed only limited review of transactions only in context of specific duties cast on him under the provisions of IBC 2016. Further, by taking on record these financial statements, the liquidator does not, in any manner, assures or vouches, or comments on financial position, or financial performance, or cash flows of the company Also, the company had foreign operations which were cross border transactions over

which neither liquidator nor RP or CoC had any direct control in view of lack of legislative framework to deal with these.

Further, figures **related to undisputed amounts payable in respect of income tax, wealth tax, service tax, sales tax, custom duty, excise duty, GST and Cess that were in arrears, as at 31-Mar-2021 for a period of more than six months from the date they became payable is being trued up compared to previous year.**

- (7) The Liquidator (erstwhile Resolution Professional) has substantially relied upon the submissions, representations, clarifications and explanations provided by the key managerial personnel, accountants, other personnel of the company and former management of **C&C**, and by Professional Advisors, Minerva Resolutions LLP in the course of preparation said audited Financial Statements as the financials.
- (8) It is to be noted that the former management, who were in control of company prior to the ICD, shall be and remain responsible for all matters pertaining to the reporting period prior to the Insolvency Commencement Date and the Financial Statements have been endorsed by the accounting expert/retainer of **C&C** to confirm that they do not contain any material misstatements and provide a true and fair view of the state of affairs, including the losses incurred and the cash flows.
- (9) The Liquidator (erstwhile Resolution Professional) has signed the Financial Statements only with the limited intent of discharging the powers of the board of directors of **C&C**, now vested with the Liquidator (erstwhile Resolution Professional) as per the provisions of Section 17 of the IBC and this letter forms integral part of enclosed financial statements.
- (10) C&C being a listed Company, has submitted enclosed financial results as per Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI LODR Regulation) to the extent possible. The Liquidator (erstwhile Resolution Professional) has made best efforts to ensure that the enclosed stand-alone financial statements for the reporting period ended 31st March, 2021 have been drawn as per accounting practices followed by the **C&C** and records available. Kindly note, despite having inherent limitations in the corporate debtor in terms of staff, non-cooperation, cash inflows, the Liquidator (erstwhile Resolution Professional) has informed the exchange about significant developments in the resolution process on best effort basis and also kept Stakeholders Consultation Committee/Committee of creditors (as the case may be) duly informed about all important developments including those related to financials as required under IBC, 2016 and regulations thereunder in line with duties cast on him under the code.
- (11) The Liquidator (erstwhile Resolution Professional) is not in a position to provide the Consolidated Financial Statement for C&C, as there are multiple subsidiaries and joint ventures of the Corporate Debtor which are either separate legal entities or not under the control of the Liquidator (erstwhile Resolution Professional) and many of them have been either closed/shutdown/terminated. Despite best effort, Liquidator (erstwhile Resolution Professional) has not been able to obtain the relevant data from several entities/ventures, thereby adversely affecting and delaying the consolidation process. To the best of information available with the undersigned, more than one subsidiary is already undergoing a separate CIRP Proceeding.

- (12) The enclosed financial statements are compiled on a best effort basis and the Resolution Professional or his team does not provide any assurance as to its reliability for any purpose other than the intended reporting purpose. This must not be relied upon for any investment/disinvestment/any significant financial decisions and the Liquidator (erstwhile Resolution Professional), or his team will not be responsible for any loss incurred by any reader by placing reliance on this report for any purpose other than the intended reporting and compliance purpose of this financial statement. **At the same time, in case, any specific information is required, the reader of these financial statements may write to undersigned at his registered email id to fulfil any information gap.**

Reliance Of Work of Professionals

- (13) The Liquidator has relied on the expertise and advice of /work of professionals, and professional firms for continuously advising and assisting him to manage the going concern, as well as run the process of IBC; further, reliance has been placed on valuers, transaction auditors and others. All these professionals/firms have been appointed post COC/SCC deliberations/approvals, whatever is applicable.

Reasons for Delay in Release of Financial Statements

- (14) The Liquidator (erstwhile Resolution Professional) is aware of the delay in submissions of financial statements resulting from a multitude of reasons beyond the control of the Liquidator (erstwhile Resolution Professional), some of which are listed below:
- a. Non-Cooperation from the suspended directors of the Corporate Debtor leading to filing of application under Section 19 of the Code.
 - b. Covid lockdown and its impact on health of employees/team of liquidator
 - c. Discovery of transactions objectionable under the Code and thereafter conducting of transaction audit under the provisions of the Code resulting in identification of several transactions worth a substantial amount. Available legal recourse has been initiated in this regard and the applications filed before the Hon'ble NCLT are currently sub-judice.
 - d. Severe financial distress leading to arrears of employee salary for several months resulting in repeated disruptions caused by the employees of the Corporate Debtor including protest, non cooperation and shutdown of the Corporate Office of the Corporate Debtor due to non payment of their salaries.
 - e. Late submission/non submission of audited financials by the associate entities/joint ventures of the Corporate Debtor due to worsened relations between the companies owing to non payment/participation in the financial contribution for the operations of the associate companies.
 - f. Limited cooperation from the existing auditors due to non payment of their past dues and non availability of resources/funds to make the payment for the audit of enclosed financial statements.
 - g. The data availability got adversely affected when ERP server and the books of accounts got submerged in the water due to local flooding in the neighbourhood of corporate office of C&C resulting in water logging in the basements storing past records and historically housing the data servers.
 - h. Electricity connection loss due to non payment of dues.

Critical Issues affecting or likely to affect the Reported Financial Statements

SFIO Investigation

- (15) An investigation has been initiated by SFIO, into the affairs of C&C. The Liquidator (erstwhile Resolution Professional) has to date and continues to cooperate with the ongoing investigation and has provided the available company related data, files and backups to the SFIO for the requested period under investigation, commencing from FY 2009-10.

Regulatory Non-Compliance with Listing Requirements

- (16) C&C has been persistently non-compliant of statutory provisions including income tax, PF, ESI, GST due to non-availability of funds during its entire CIRP period and had made best endeavour to fulfil compliance as and when money was available in the company for same given priorities like protection and preservation of assets.

- (17) The Full time Company Secretary is not with organisation any more, the liquidator has been doing his best efforts to fulfil the compliances specially those pertaining to exchanges, SEBI, MCA, RoC with help of the practicing CS retainer. The LODR non-compliances were with the Securities Exchange Board of India and stock exchanges (NSE and BSE) on which the company is listed, primarily for non-submission of financial statements over an extended period of time.

The non-compliance also related to non availability of Key Managerial Personnel like CEO, CFO and Company Secretary for almost the entire length of CIRP and this continues till date.

- (18) Additionally, due to advent of the COVID-19 pandemic, the company's operations were significantly affected and the company could not conduct any Board of directors meeting or any Annual General Meetings, since 2019.
- (19) Further, due to persistent non-compliance related to audit and closure of financials, there is a potential of imposition of financial penalty by SEBI/NSE/BSE. An application seeking relief from such penalties has been filed by the Liquidator (erstwhile Resolution Professional) before the Securities Appellate Tribunal (SAT) Appeal No. 136 of 2021 and the matter is currently sub-judice. An unsuccessful outcome of said application is likely to have an impact on the financial statements.

Transaction Review / Audit under the provisions of IBC

- (20) Transaction audit of the transactions of the Corporate Debtor under Sections 43, 45, 50 & 66 of the Insolvency and Bankruptcy Code, 2016 ("Code") has already been carried out during the Corporate Insolvency Resolution Process by RP.
- (21) There were multiple objectionable transactions of substantial amount were identified. Based on the findings of the report provided by the auditor, the RP (now Liquidator) has filed applications under section 43 and 66 of Insolvency & Bankruptcy Code, 2016 on 13.10.2020.

- (22) The said applications are currently sub-judice before the Hon'ble NCLT and the outcome of said applications, when decided may have a significant impact on the financial statements of C&C.
- (23) Further, during liquidation, the liquidator has appointed a forensic specialist to investigate into affairs of the company in accordance with law and NCLT order dated 7th oct 2022 ordering liquidation of the company

Conservatory and Protective Measures

- (24) The Liquidator (erstwhile Resolution Professional) has undertaken and continues to undertake various measures to the best possible extent for protecting and preserving the value of CD, some of which are listed below:

a. Insurance

The Liquidator (erstwhile Resolution Professional) arranged for getting tangible assets of the CD insured

b. Cash-Flow Management

The Liquidator (erstwhile Resolution Professional) has been diligently working towards managing the cash flow of CD despite minimal operations during the CIRP or liquidation to be able to at-least fund the costs incurred during and related to the CIRP/liquidation. After a severe financial distress for almost two and a half years of process, the RP (now Liquidator) was ultimately able to generate some cash flow which is currently being used to defray the costs incurred during the process to largely maintain the going concern status of the CD and to also meet the process related costs.

Return of Bank Guarantees

The Liquidator (erstwhile Resolution Professional) has made significant effort for the facilitating the closure of projects that were nearing completion and/or the successful completion of the Defect liability period after which Bank Guarantees worth INR 31.83 Crs has been successfully returned to the issuing bank, thereby reducing C&C's liability. As on date, bank guarantees worth INR 102 Crs are still outstanding, out of which, majority are deployed into projects of BSC C&C JV. Further, there have been pronouncement of two large arbitration awards in April to June quarter of 2023 in favour of the company which shall have significant positive impact on asset portfolio of the company and may help find suitable buyer under auction process.

Closure of CIRP and Commencement of Liquidation Proceeding

- (25) The readers are advised that CIRP proceedings has been concluded and the liquidation proceeding for C&C has already been commenced under the provisions of IBC. Further, on 7th Oct 2022, Hon'ble NCLT has ordered liquidation of the company, appointing undersigned as liquidator.

- (26) There was an extensive process undertaken to find an effective resolution for C&C, however, after several attempts and negotiations with various potential prospects, only one compliant resolution plan was received during the CIRP which could not garner the requisite majority vote for approval from CoC and pursuant to the rejection of said plan, Liquidator (erstwhile Resolution Professional) had filed an application for liquidation of C&C on 21st April, 2021 based on the instructions received from the CoC in this regard.
- (27) The said application to consider the liquidation of C&C was sub-judice for some time, also, the former management contemplated a settlement proposal under Section 12 A of the code which was under consideration with the members of CoC.
- (28) The CoC, after careful deliberation decided in its meeting of Joint Lenders, that they would not be proceeding with the settlement proposal offered by the former management of C&C and advised NCLT of their decision. Based on the submission of member of CoC, the NCLT in its hearing of July 25, 2022 had reserved an order for the liquidation of C&C and finally ordered liquidation on 7th Oct 2022.
- (29) The liquidator, based on the report of the valuers appointed to determine the realisable value of the Corporate Debtor, the average value was determined at approx. Rs. 210 crores and the same was considered as first reserve price for the invitation of expression of interest from the prospective bidders for sale as a going concern. In this regard the liquidator has conducted five (5) rounds of auction so far, however, the auction could not be successful thus far, and therefore liquidator is in process of further auction round as per advice of the members of Stakeholders Consultation Committee.
- (30) In view of the above mentioned, the Liquidator (erstwhile Resolution Professional), by way of signing the enclosed financial statements, herein **takes-on-record** the standalone financial numbers of **C&C Constructions Limited ("C&C")** which are **initialled and stamped by auditors** and cautions the readers to the potential impact of the outcome of ongoing investigation of corporate debtor by SFIO, further investigation by forensic auditor, cross border transactions which were not in direct control of liquidator (erstwhile RP) and also the outcome of several applications filed by RP in NCLT under various sections including but not limited to section 43, 66, 74.

Yours sincerely,

Navneet Kumar Gupta

Liquidator of C&C Constructions Limited (In Liquidation)
IBBI Reg No. IBB/IPA-001/IP-P00001/2016-17/10009
AFA valid till 24/01/2024

Place: New Delhi

Encl.: Signed financial statements of C&C Constructions Limited for the financial year 2020-21

INDEPENDENT AUDITORS' REPORT

To the Stakeholders of C & C Constructions Limited

**Report on the audit of Standalone Financial Statements
For the year ended 31.03.2021**

Corporate insolvency Resolution Process ("CIRP")

The Hon'ble National Company Law Tribunal, Special Bench, New Delhi ("NCLT") on 14th February, 2019 admitted a petition for initiation of Corporate Insolvency and Bankruptcy Process (CIRP) filed by ICICI Bank Limited against ("the Company") and appointed Mr. Navneet Kumar Gupta to act as Interim Resolution Professional (IRP) with direction to initiate appropriate action contemplated with extent provisions of the Insolvency and Bankruptcy Code, 2016 and other related rules and the powers of the board of directors were suspended for the erstwhile management and vested with the Interim Resolution Professional. Subsequently, the members of the committee of creditors confirmed Mr. Navneet Kumar Gupta as the Resolution professional through a majority vote on June 20, 2019.

The Hon'ble National Company Law Tribunal, Principal Bench, New Delhi vide its Order dated 07.10.2022 ordered liquidation of the company and Mr. Navneet Kumar Gupta was appointed as Liquidator of the company.

Disclaimer of Opinion

We have audited the accompanying Standalone Financial Statements of C & C Constructions Limited, which comprise the Standalone Balance Sheet as at 31 March 2021, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Cash Flow Statement and the Standalone Statement of Changes in Equity for the year then ended, and a summary of the Standalone Significant Accounting Policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of other auditors on the separate financial statements/ financial information of the joint operations, of which only profit/loss was considered in the financial statements, and also on the consideration of non-inclusion of some of the joint operations, except for the possible effects of the matters described in the Basis for Disclaimer of Opinion section of our report, the aforesaid standalone financial statements give the information required by the

Head Office – 17/14, The Mall, (Opp. Nana Rao Park) Kanpur – 208001

Email: bedisaxena@gmail.com

Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, except as detailed in para (iv) of Basis for Disclaimer of Opinion, of the state of affairs of the Company as at 31 March 2021, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Disclaimer of Opinion

- (i) The Company's accumulated losses are of ₹2,605.56 Crores and its Net worth as at March 31, 2021 has been eroded. The Company has obligations towards fund based borrowings aggregating to ₹1,909.79 Crores and non-fund based exposure aggregating to ₹102.46 Crores, operational creditors and statutory dues that have been demanded/recalled by the financial/operating creditors pursuant to ongoing Corporate Insolvency Resolution Process (CIRP). These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as going concern and therefore the Company may be unable to realize its assets and discharge its liabilities in the normal course of business. The ultimate outcome of these matters, at present, is not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanying standalone financial statements.
- (ii) In absence of alternative corroborative evidence in respect of trade receivables including retention, loans & advances, borrowings, trade payable and other payables, we are unable to comment on the extent to which such balances are recoverable/ payable.
- (iii) Other current assets (Note No. 13) include Unbilled Revenue (Work-in-progress) of ₹26.60 Crores. Though all the projects have been closed and there is no possibility of raising bills against the above said unbilled amount, the management has not yet written off the said amount or made any provisions for the same.
- (iv) No confirmations of Fixed Deposits with Banks were provided as detailed in Note No. 5 & 11. Some of the Fixed Deposits, as per management's understanding, may have been appropriated by Banks against their dues and others may be under lien of various authorities. In absence of confirmations, we are unable to comment on the recoverability/ existence of the same.

- (v) Similarly, few of the bank balances are subject to confirmations/ reconciliations. In absence of confirmations, we are unable to comment on the balances held with scheduled and non-scheduled banks.
- (vi) Actuarial valuation, as required by IND AS-19, of Retirement Benefit has not been made. Gratuity & Leave Encashment have been estimated by the management on its own calculations. Total outstanding amount as at the year-end of ₹5.09 Crores also include the claims filed by employees and accounted for in the books of accounts for the year ended 31.03.2019. Hence, actual liability cannot be quantified.
- (vii) Periods of default in repayment of borrowing and interest have not been provided in Note 16 of the standalone financial statements to comply with the minimum presentation and disclosure requirement as per the schedule III of the Companies Act, 2013.
- (viii) Segment Reporting as disclosed in Note No. 36 is not in accordance with IND AS 108. The company has disclosed segmental information on geographical location of operations. The company has not given the segmental information of Operating Segments.

In view of the matters stated above except para (vii) & (viii) of 'Basis for Disclaimer of Opinion', we are unable to assess the consequential impact on the standalone financial statements as at and for the year ended March 31st 2021. The matters stated above in para (vii) & (viii) of 'Basis for Disclaimer of Opinion' give rise to the inappropriateness of use of generally accepted accounting principles that are applicable to the minimum presentation and disclosure requirement as per the schedule III of the Companies Act, 2013. Accordingly, we form a basis of disclaimer of opinion.

Material uncertainty related to Going Concern

The Company has accumulated losses of ₹2,605.56 Crores resulting into erosion of its net-worth. The Company is undergoing the CIRP process and also NCLT has ordered for liquidation of the company. Per Advice of SCC (stakeholders' consultation committee), the liquidator has been attempting to sell the company as going concern, and accordingly, the financial statements have been prepared using going concern basis of accounting.

Considering the above and matters described in Basis for Disclaimer of Opinion in our report indicate the existence of material uncertainties. Accordingly, we are unable to

comment as to whether the going concern basis for preparation of these financial statements is appropriate or not.

Emphasis of matters

Attention is invited to:

- a. Note 33.1 to the standalone financial statements, in respect of notice received by the company U/s 276 (B) of the Income tax Act, 1961 for initiation of prosecution proceedings with regard to late deposit of tax deducted at source for the financial years 2012-13, 2013-14, 2014-15 & 2016-17.
- b. Note 33.2 to the standalone financial statements, in respect of summon received by the company of levy of damages U/s 14 B of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 aggregating to ₹9.62 Crores for the period from 2013-2016 and from 2014-2017 and the matter is presently sub-judiced.
- c. Note under Revenue from Contracts with Customers (22), where the management has stated that the all the projects have been closed and terminated which would effect the going concern status of the company.
- d. The company has not appointed an Internal Auditor as required in Rule 13 of The Companies (Accounts) Rules, 2014.

Our opinion is not qualified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

S. No.	Key Audit Matter	How our audit addressed the key audit matter
1.	Recoverability of non-current trade receivables, current trade Receivables, other non-current	Our audit procedures included, but were not limited to, the following:

S. No.	Key Audit Matter	How our audit addressed the key audit matter
	assets, current loans & other current assets (Refer note 4, 7, 9, 12 & 13 of the standalone financial statements) The Company, as at 31 March 2021, had non-current trade receivables, current trade Receivables, other non-current assets, current loans & other current assets amounting to ₹14.80 Crores, ₹130.69 Crores, ₹68.95 Crores, ₹2.60 Crores and ₹108.81 Crores respectively. Management, based on contractual tenability of the claims, progress of the discussions and relying on the valuation made by independent valuers had made provisions against these assets during the FY 2018-19. For the year under consideration, the Management has determined that no further provision is required to be recognised for these receivables. Considering the materiality of the amounts involved, uncertainty associated with the outcome of the negotiations/ discussions/ arbitration/ litigation and significant management judgement involved in its assessment of recoverability, this was considered to be a key audit matter in the audit of the standalone financial statements.	• Obtain an understanding of the management process for assessing the recoverability of non-current trade Receivables, other non-current assets, Current Trade Receivables, current loans & other current assets; • Discussed extensively with the management regarding impairment indicators and evaluated the design and testing operating effectiveness of controls; • Assessed the reasonability of judgements exercised and estimates made by management in recognition of these receivables and validating them with corroborating evidence; • Obtained an understanding of the current period developments for respective claims pending at various stages of negotiations/ discussions/ arbitration/ litigation and corroborating the updates with relevant underlying documents. • Assessed that the disclosures made by the management are in accordance with applicable accounting standards.

S. No.	Key Audit Matter	How our audit addressed the key audit matter
2.	Recoverability of Fixed Deposits with Bank (Refer note 5 & 11 of the standalone financial statements) The Company, as at 31 March 2021, had Fixed Deposits with Banks of ₹0.33 Crores having maturity period of more than twelve months and of ₹3.39 Crores having maturity period of less than twelve months as on the balance sheet date. Management has decided that no provision is required to be recognised for these receivables though they have stated in the Financials that these Fixed Deposits may have been adjusted by banks against their dues. Considering the materiality of the amounts involved, uncertainty associated with the recoverability, this was considered to be a key audit matter in the audit of the standalone financial statements.	Our audit procedures included, but were not limited to, the following: • Discussed extensively with the management regarding impairment/adjustment of the recoverable amount; • Assessed the reasonability of judgements exercised and estimates made by management in recognition of these bank fixed deposits; • Assessed that the disclosures made by the management are in accordance with applicable accounting standards.

Information other than the financial statements and auditors' report thereon

In view of ongoing Corporate Insolvency Resolution Process (CIRP) (now under liquidation), the Resolution Professional (now liquidator) who works under the instructions of CoC for all significant decisions has ensured completion of these statements and provision of information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. These reports are generally not available in insolvency

processes, and the minutes of CoC have been shared with us to the extent relevant to the audit procedures and formation of opinion.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Standalone Financial Statements

The Hon'ble National Company Law Tribunal, Special Bench, New Delhi ("NCLT") admitted on 14.02.2019 a petition for initiation of Corporate Insolvency and Bankruptcy Process (CIRP) filed by financial creditor against the Company and appointed Mr. Navneet Kumar Gupta to act as Interim Resolution Professional (IRP) with direction to initiate appropriate action contemplated with extent provisions of the Insolvency and Bankruptcy Code, 2016 and other related rules. Mr. Navneet Kumar Gupta was later appointed as Resolution Professional (RP). In view of pendency of the CIRP, the powers of the directors are currently under suspension and these responsibilities are now vested with Resolution Professional (RP).

As per section 134(5), directors are responsible for with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and

prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In the view of CIRP proceedings, the RP has ensured completion of books and preparation of financial statements relying on work and advice of experts and fulfil compliance to the extent practicable and feasible.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Under section 20 of the IB Code, RP shall endeavor to protect and preserve the property of the company and manage the operations of the Company as a going concern and the statements have been prepared on going concern basis. Further, as per section 238, the IBC shall override any other law, if the other law is inconsistent with provisions of IBC 2016.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,

forgery, intentional omissions, misrepresentations, or the override of internal control.

- ii) Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with

them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters:

- a. We have not been provided with Audited Ind AS financial statements of three overseas branches, included in the standalone Ind AS financial statements of the Company, whose financial statements reflect total assets of ₹107.85 Crores as at 31 March 2021 and total revenue of ₹6.97 Crores for the year ended on that date. We have relied on the statement provided by the Management in this regard.
- b. The Management has not included the financials of Twelve Joint Ventures in the standalone Ind AS financial statement of the Company for the year ended 31.03.2021. Decision to not to include these financials was taken for the year ended 31.03.2019. According to the information and explanations provided to us, the promoter company of five Joint Ventures (Isolux Group) has become insolvent in Spain. Operations of some of the Joint Ventures have been discontinued and in some of the running Joint Ventures, the company's investment has suffered reduction in capital account balance in these Joint Ventures. Profit of only three Joint Venture amounting to ₹2.46 Crores has been included, duly audited by other auditors.

Our opinion is not qualified in respect of these matters.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "A"**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit except the descriptions given in Disclaimer of Opinion paragraph;
- (b) Proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and unaudited accounts/returns adequate for the purpose of our audit have been received from the branches or joint operations not visited by us;
- (c) The balance sheet, the statement of profit and loss (including other comprehensive income), the cash flow statement and the statement of changes in equity dealt with by this report are in agreement with the books of account and the unaudited accounts/ returns of the branches not visited by us;
- (d) Except the matters described in "Disclaimer of Opinion" and "Emphasis of Matters" paragraphs, which may have an adverse effect on the functioning of the Company, in our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
- (e) In the term of section 17 (1) (b) of the Insolvency and Bankruptcy Code, 2016 ("the Code"), the powers of the board of directors have been suspended and be exercised by the Resolution Professional. Hence, written representation from directors have not been taken on record by the Board of Directors. Accordingly, we are unable to comment whether any of the director is disqualified as on March 31, 2021 from being appointed as a director in the terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended, in our opinion and to the best of our information and according to the

explanations given to us, no remuneration has been paid by the Company to its directors during the year; and

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;
- The Company has disclosed the impact of pending litigations, which would impact the financial position of the Company, in Note No. 32 to the Financial Statement;
 - The Company has a process whereby periodically all long term contracts [including derivatives contracts] are assessed for material foreseeable losses. At the year end, the company has reviewed and ensured that adequate provision as required under any law/accounting standards for material foreseeable losses on such long-term contracts [including derivative contracts] has been made in the books of accounts; and
 - There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure - A to the Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of C&C Constructions Limited on the Ind AS financial statements for the year ended 31st March, 2021, we report that:

In terms of the information and explanations sought by us and given by the company and the books and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that: -

- i. a) The company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- b) All the assets were physically verified by Independent Valuers appointed by Resolution Professional. Discrepancies noticed on such verification have been duly provided in the books of accounts and provision for impairment was made in the books of accounts for the year ended 31.03.2019. For the year ended 31.03.2019, we had mentioned the same in para (ii) of "Basis for Disclaimer of Opinion" and had stated that books of accounts for the year ended 31.03.2019 were adjusted on the basis of Valuation Reports obtained by the Resolution Professional as per IBC timelines.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of the immovable properties are held in the name of the Company.
- ii. As explained to us, the inventory was physically verified by Independent Valuers appointed by Resolution Professional. Discrepancies noticed on such verification were duly provided for in the books of accounts for the year ended 31.03.2019 and was explained as above in para (ii) of "Basis for Disclaimer of Opinion" of our report for the year ended 31.03.2019.
- iii. The company has granted loan to the companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act.
 - a) The terms and conditions of the grant of such loans are not prejudicial to the company's interest.

- b) No Schedule of repayment of principal has been stipulated and also there is no stipulation with regards to interest.
 - c) No Schedule of repayment of principal and payment of interest has been stipulated and therefore there is no overdue amount.
- iv. In respect of loans, investments guarantees, and security, the provisions of section 185 and 186 of the Companies Act, 2013 have been duly complied with by the company for the year under consideration. For investments made, advances given or guarantees provided exceeding the limits laid down in Section 186 of the Act, directors had prior permission by way of special resolution passed at a General Meeting.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits in contravention of Directives issued by Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Act and the rules framed there under, where applicable. No order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal.
- vi. Cost Records, as required to be maintained under section 148(1) of the Companies Act, 2013, were not produced before us for examination and to determine whether they are accurate or complete.
- vii. a) According to the records of the company the company has not regularly deposited undisputed statutory dues including provident fund, investor education protection fund, employees' state insurance, income tax, sales tax, wealth tax, service tax, custom duty, excise duty, Cess, Goods and Service-tax and other material statutory dues with appropriate authorities as applicable to it.

We were explained that the Statutory Dues during the CIRP period were not deposited regularly primarily due to cash crunch in the company.

According to the information and explanations given to us, undisputed amounts payable in respect of income tax, wealth tax, service tax, sales tax, custom duty, excise duty, GST and Cess that were in arrears, as at 31-Mar-2021 for a period of more than six months from the date they became payable are given below:

Name of Authority	Amount (₹ in Lacs)
Service Tax	347.73
TDS/TCS Payable	1413.54
Provident Fund/ ESIC	127.78
VAT/WCT	649.09
GST	148.13
Professional Tax	1.17
Labour Cess	1.36

The above figures have been trued up post-reconciliation of the accounts of the company, and accordingly, the amount payable to statutory authorities is being revised compared to the previous financial year.

- b) According to the information and explanations given to us, the dues of sales tax, income tax, custom duty, wealth tax, excise duty and Cess that have not been deposited with appropriate authorities on account of any dispute and the forum where the disputes are pending are given below:

Name of The Statute	Nature of The Disputed Dues	Amount (₹ in Lacs)	Period To Which The Amount Relates	Forum Where Dispute Is Pending

Annexure 'B' to the Auditors Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of (The Company') as of 31-Mar-2021 in conjunction with our audit of the Ind AS standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

Notes:

1. SIGNIFICANT ACCOUNTING POLICIES:

A> GENERAL INFORMATION

C&C Constructions Limited (C&C or the 'Company') is a Public Limited Company domiciled in India and incorporated under the provisions of the Companies Act applicable in India, with its registered office situated at 74, Hemkunt Colony, New Delhi 110048. The Company is primarily engaged in the business of infrastructure development and execution of engineering, procurement and construction (EPC) facilities in various infrastructure projects in roads, buildings, large scale bridge works for Central / State Governments, other local bodies and private sector.

B> SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

(a) Statement of Compliance

The financial statements of the Company for the financial year ended 31 March 2021 have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of Companies Act, 2013 [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provision of the Act.

Effective April 1, 2017, the Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101, *first-time Adoption of Indian Accounting Standards*, with April 1, 2016 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The statement of cash flow has been prepared under the indirect method as set out in Indian Accounting Standard (Ind AS 7) statement of cash flows.

(b) Basis of measurement

The financial statements have been prepared on a historical cost basis, except for the following items:

Items	Measurement basis
Net defined benefit (asset)/liability	Fair value of plan assets less present value of defined benefit obligations
Borrowings	Measured at amortised cost

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

2. Current versus non-current classification

Current/Non-current assets

The Company presents assets and liabilities in the statement of financial position based on current/ non-current classification. An asset is current when it is:

- Expected to be realised or intended to sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

Current/Non-current liabilities

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

3. Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

4. Key accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared.

Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

a) Estimation uncertainty related to the global health pandemic on COVID-19

The Company has considered certain internal and external sources of information in determining the possible effects of pandemic relating to COVID-19 on the financial statements and in particular on the contract estimates of balance project revenue and balance cost to complete. The Company has used the principal of prudence in applying judgements, estimates and assumptions and based on the current estimates, the Company believes it has taken into account all the possible impact of known events arising out of COVID-19 in the preparation of these financial statements. The eventual outcome of impact of global health pandemic may be different from those presently estimated and the Company will continue to closely monitor any material changes to future economic conditions.

b) Contract estimates

The Company, being a part of construction industry, prepares budgets in respect of each project to compute project profitability. The two major components of contract estimate are 'claims arising during construction period' (described below) and 'budgeted costs to complete the contract'. While estimating these components various assumptions are considered by the management such as (i) Work will be executed in the manner expected so that the project is completed timely (ii) consumption norms will remain same (iii) Assets will operate at the same level of productivity as determined (iv) Wastage will not exceed the normal % as determined etc. (v) Estimates for contingencies (vi) There will be no change in design and the geological factors will be same as communicated and (vii) Price escalations etc. Due to such complexities involved in the budgeting process, contract estimates are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

c) Recoverability of claims

The Company has claims in respect of cost over-run arising due to client caused delays, suspension of projects, deviation in design and change in scope of work etc., which are at various stages of negotiation/discussion with the clients or under arbitration. The realisability of these claims are estimated based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Changes in facts of the case or the legal framework may impact realisability of these claims.

d) Valuation of investment in/ loans to subsidiaries/joint ventures

The Company has performed valuation for its investments in equity of certain subsidiaries and joint ventures for assessing whether there is any impairment in the fair value. When the fair value of investments in subsidiaries cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the discounted cash flow model. Similar assessment is carried for exposure of the nature of loans and interest receivable thereon. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as expected earnings in future years, liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of these investments.

e) Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

f) Useful lives of property, plant and equipment and intangible assets

The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of assets are determined by the management at the time of acquisition of asset and reviewed periodically, including at each financial year. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

g) Provisions and contingent liabilities

A provision is recognised when the Company has a present obligation as result of a past event and it is probable that the outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements. Contingent assets are disclosed where an inflow of economic benefits is probable.

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

5. Fair value measurement

The Company measures financial instruments at fair value, (such as, Investment in equity instrument and investment in mutual fund) in the statement of financial position at the end of each reporting date.

In case of other financial assets e.g. security deposits, fair value of financial assets at inception is normally the transaction price (i.e. the fair value of the consideration given or received).

If the fair value is evidenced by a quoted price in an active market for an identical asset or liability (i.e. a Level 1 input) or based on a valuation technique that uses only data from observable markets. The Company recognises the difference between the fair value at initial recognition and the transaction price as a gain or loss.

In all other cases, the Company defers the difference between the fair value at initial recognition and the transaction price. After initial recognition, the Company recognises that deferred difference as a gain or loss only to the extent that it arises from a change in a factor (including time) that market participants would take into account when pricing the asset or liability.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 → Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 → Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 → Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

6. Foreign currency transactions

Foreign transactions and balances

Transactions in foreign currency are initially recorded by the Company in its functional currency using the spot rate at the date such transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currency are translated to the functional currency using the spot rate at the reporting date.

Foreign exchange gain or loss arising on either settlement of foreign currency transactions or translation of foreign currency denominated monetary assets and liabilities are recognised in the statement of profit and loss.

Non-monetary items that are measured at historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is recognised in the statement of profit and loss.

Foreign operations of a Joint Venture

Foreign operations of a Joint Venture have been classified as integral foreign operations and financial statement are translated as under at each balance sheet date:

- i) Foreign currency monetary items are reported using the closing rate.
- ii) Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

- iii) Non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rate that existed when the values were determined.
- iv) Revenue and Expenses are recognised at yearly average of exchange rates prevailing during the year.
- v) Exchange difference arising on translation is recognized as income or expenses of the period in which they arise.

7. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. In case of financial assets held at fair value through profit and loss account, any transaction costs incurred are charged to the statement of profit and loss.

Trade receivables and debt securities are initially recognized when they are originated. All other financial assets are recognized when Company becomes a party to the contractual provisions of the instrument.

Classification and subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income FVTOCI

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

Most of the financial assets of the company are classified as held at amortised cost. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is presented as finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade and other receivables, deposits including security deposits and related party and other loans.

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- (a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- (b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of profit and loss. On de-recognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Statement of profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

At present, the company does not hold any financial asset in this category, including during the previous comparative year.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. This category generally applies to investment in mutual fund (fixed income).

In addition, the company may elect to classify a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss.

The company has classified all its investments in debt instruments as held at FVTPL.

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as held at FVTPL. For all other equity instruments, the company decides to classify the same either as at FVTOCI or FVTPL. The company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

In case the Company decides to classify an equity instrument as at FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of profit and loss, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value, with all changes recognized in the Statement of profit and loss.

At present, the company has classified all its investments in equity instruments as held at FVTPL.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's statements of financial position) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets that are debt instruments, and are measured at amortised cost e.g. loans, debt securities, deposits and trade receivables.

The company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables.

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events on a financial instrument that is possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss. This amount is reflected in a separate line in the statement of profit and loss as an impairment gain or loss. ECL in case of *financial assets measured as at amortised cost* is presented as an allowance, i.e. as an integral part of the measurement of those assets in the statement of financial position. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the company does not reduce impairment allowance from the gross carrying amount.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loan and borrowings from banks and others, deposit received from dealers and others.

Classification and Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of profit and loss.

Financial liabilities designated upon initial recognition as fair value through profit or loss only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risks are recognized in OCI. These gains/ loss are not subsequently transferred to Statement of profit and loss. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of profit and loss. The company has not designated any financial liability as held at fair value through profit or loss.

At present, the company does not carry any financial liability that is classified as held at FVTPL.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

This category generally applies to interest-bearing loans and borrowings and deposits.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Reclassification of financial assets

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities.

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassifications and how they are accounted for:

Original classification	Revised classification	Accounting treatment
Amortised Cost	FVTPL	Fair value is measured at the reclassification date. Difference between previous amortized cost and fair value is recognised in the Statement of profit and loss.
FVTPL	Amortised Cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortised Cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified to Statement of profit and loss at the reclassification date.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Embedded derivative

An embedded derivative is a component of a hybrid (combined) instrument that also includes a non-derivative host contract – with the effect that some of the cash flows of the combined instrument vary in a way similar to a stand-alone derivative. An embedded derivative causes some or all of the cash flows that otherwise would be required by the contract to be modified according to a specified interest rate, financial instrument price, commodity price, foreign exchange rate, index of prices or rates, credit rating or credit index, or other variable, provided in the case of a non-financial variable that the variable is not specific to a party to the contract.

If the hybrid contract contains a host that is a financial asset within the scope Ind AS 109, company does not separate embedded derivatives. Rather, it applies the classification requirements contained in Ind AS 109 to the entire hybrid contract.

Financial guarantee contracts

Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument.

Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

8. Cash and Bank Balances

Cash and Bank Balances in the statement of financial position comprise cash at banks and on hand and cheques in hand. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and bank balances.

9. Revenue recognition

The Company had adopted the new accounting standard Ind AS 115 as at April 1st 2018 and accordingly had reviewed its sales contracts for determining the principles for recognizing revenue in accordance with the new standard. Some of the sales contracts contain various performance obligations and management exercises judgement to determine timing of revenue recognition, i.e., over time or a point in time. The effect on adoption of Ind AS 115 was insignificant

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The following specific recognition criteria must also be met before revenue is recognized:

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

Contract revenue (construction contracts)

Revenue from long term construction contracts is recognized on the percentage of completion method as mentioned in Indian accounting standard (Ind AS) 11 "Construction Contracts" notified under the Companies (Indian Accounting standards) Rules, 2015. Percentage of completion is determined on the basis of survey of work performed. Where the total cost of a contract, based on technical and other estimates is expected to exceed the corresponding contract value, such expected loss is provided for. The effect of any adjustment arising from revisions to estimates is included in the statement of profit and loss of the period in which the revisions are made.

Price escalation and other claims and /or variation in the contract work are included in contract revenue only when:

- Negotiations have reached at an advanced stage (which is evidenced on receipt of favourable Dispute Resolution Board (DRB) order/ first level of arbitration as per respective arbitration contract clauses, acceptance by customers, other probable assessments, etc.) such that it is probable that customer will accept the claim; and
- The amount that is probable will be accepted by the customer can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated customer returns, rebates and other similar allowances.

Sale of goods

Revenue from the sale of goods is recognized when the goods are delivered and titles have passed, at which all the following conditions are satisfied;

- (a) the company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- (b) the company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- (c) the amount of revenue can be measured reliably;
- (d) it is probable that the economic benefits associated with the transaction will flow to the company; and
- (e) The costs incurred or to be incurred in respect of the transaction can be measured reliably.

Interest income

For all debt instruments measured either at amortised cost (e.g. fixed deposit placed with the bank) or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where

appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

Consultancy Income

Consultancy income is recognised as per the terms of the agreement on the basis of services rendered.

Dividends

Dividend income is recognised in the statement of profit and loss on the date which the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

10. Property, plant and equipment***Recognition and measurement***

Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of self-constructed item of property, plant and equipment the cost of materials and direct labour, any other costs directly attributable to bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The present value of the expected cost for the dismantling and removing of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

At present, the company does not make any provision for dismantling or restoration costs given it does not believe there is any such obligations that exists (neither contractual nor constructive).

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

associated with the expenditure will flow to the Company.

Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation

Depreciation on fixed assets is provided on Straight Line Method, based on the useful life prescribed in Schedule II of the Companies Act, 2013, on single shift basis, including those purchased under hire purchase agreements.

Depreciation on additions (disposals) is provided on pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

The estimates useful lives of items of property, plant and equipment for the period are as follows:

Assets	Management estimate of useful life
Plant and machinery	8 - 15 Years
Furniture and fixtures	10 Years
Office equipment	5 Years
EDP equipment	3 Years
Temporary Sheds	3 Years
Building	60 Years
Vehicles	8 Years
Tippers & Tractors	8 - 15 Years

De-recognition of property, plant and equipment

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the "other income" in the income statement when the asset is derecognised.

Reassessment of residual value, useful lives and depreciation methods

Company is using 5% residual value for computing the depreciation rate as per WDV method.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Based on

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

technical evaluation the management believes that it estimates of useful live represent the period over which management expects to use these assets.

11. Intangible assets

Initial recognition of intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period with the effect of any change in the estimate being accounted for on a prospective basis. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

A summary of policies applied to the Company's intangible assets is as follows:

Intangible Assets	Useful life	Amortisation method used	Internally generated or acquired
Computer Software	Definite (5 years)	Straight-line basis	Acquired

12. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

13. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised as finance costs in the statement of Profit and Loss.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the statement of Profit and Loss on a straight-line Method.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

14. Inventories

Inventories are valued at the lower of cost and net realisable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components and stores and spares is determined on a weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

15. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its Value in Use.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the future cash flow estimates have not been adjusted. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. Impairment losses of continuing operations, including impairment on inventories, are recognised in statement of Profit and Loss.

16. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When the Company expects some or all of a provision to be reimbursed, (for example, through insurance contracts, indemnity clauses or suppliers' warranties), the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of Profit and Loss, net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

17. Employment benefits

Short-term employees' benefits

Short-term employee benefits are the benefits which expected to be settled wholly before twelve months after the end of the annual reporting period in which the employees render the related services. These benefits include salaries, wages, allowances, bonuses and performance incentives. Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Post-employment benefit plans

Post-employment benefit plans are classified as either defined contribution plans or defined benefit plans, depending on the economic substance of the plan as derived from its principal terms and conditions.

(a) Defined contribution plans

Company makes contribution to a Provident Fund. The obligation of Company is limited to the amount contributed and it has no further neither contractual nor any constructive obligation.

Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in the statement of Profit and Loss when they are due.

(b) Defined benefit plans

Company operates a defined benefit gratuity plan. Every employee who has completed five years or more of service at the time of resignation are eligible for gratuity. This plan is unfunded gratuity policy.

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method (PUCM).

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any,

excluding interest), are recognised immediately in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in statement of Profit and Loss.

Other long-term employee benefits

The Company provides long-term paid absences (e.g. long-service leave). This benefit is treated as other long-term employee benefit.

The Company's net obligation in respect of long-term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method (PUCM).

The measurement of these benefits follows that of post-employment defined benefits except that re-measurements comprises actuarial gain and losses are not recognised in other comprehensive income. It is recognized in the statement of profit and loss.

18. Taxes***Current income tax***

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of Profit and Loss.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except, In respect of taxable temporary differences associated with investments in associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except, in respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

19. Accounting of joint ventures

Jointly Controlled Operations:

In respect of joint venture contracts in the nature of Jointly Controlled Operations, the assets controlled, liabilities incurred, the share of income and expenses incurred are recognised in the agreed proportions under respective heads in the financial Statements.

20. Events after Reporting Date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

21. Earnings per shares (EPS)

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders

C & C CONSTRUCTIONS LIMITED

Notes on Standalone Financial Statement for the year ended 31st March, 2021

of the company by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the company by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

22. Notwithstanding anything contained in the schedule, policies, notes and figures contained in the financial statements which are being carried forward from the previous years, the assets stated in the current financial statements are being primarily premised on the valuation report submitted by the IBBI Registered Valuers appointed by the Resolution Professional (now Liquidator) in the CIRP matter of C&C Constructions Limited.

Notes on Standalone Financial Statement for the period ended 31st Mar, 2021

(The previous year figures have been regrouped / reclassified, wherever necessary to conform to the current year presentation)

Amount in ₹

Notes:

- 1A The Corporate Debtor is under Liquidation pursuant to the order of Hon'ble National Company Law Tribunal, Principal Bench, New Delhi dated 07th October 2022 and have appointed Mr. Navneet Kumar Gupta, an Insolvency Professional as the Liquidator in this case.
- 1B The Liquidator (erstwhile Resolution Professional) is not in a position to provide the Consolidated Financial Results for C&C, as there are multiple subsidiaries and joint ventures of the Corporate Debtor which are either separate legal entities or not under the control of the Liquidator (erstwhile Resolution Professional) and many of them have been either closed/shutdown/terminated. Despite best effort, Liquidator (erstwhile Resolution Professional) has not been able to obtain the relevant data from several entities/ventures, thereby adversely affecting and delaying the consolidation process. To the best of information available with the undersigned, one of the subsidiary is already undergoing a separate CIRP Proceeding.
- 1C The liquidator in accordance with the provision of Regulation 31A of the Insolvency and Bankruptcy Board of India (Liquidation Process) Regulations, 2016 ("Liquidation Process") have constituted a stakeholder's consultation committee (SCC) to advise the liquidator on matter related to said regulations.
- 1D The Liquidator with consultation and advice received from the SCC member have decided to sell the Corporate Debtor as a going concern in accordance with Regulation 32A of the Liquidation Process. In this regard, based on the report of the valuers appointed to determine the realisable value of the Corporate Debtor, the average value was determined at approx. Rs. 210 crores and the same was considered as first reserve price for the invitation of expression of interest from the prospective bidders for sale as a going concern.
- 1E In this matter the Liquidator, based on the advice of the SCC members have invited bid five (5) times, however, have not received any successful bid. The Liquidator with consultation with SCC members is in process of inviting bid and further e-auction would be made in this regard.
- 1F The Corporate Debtor due to the non-compliance of the provisions of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 for non-submission of financial statements, the stock exchanges has imposed penalties to the Corporate Debtor, in this regard the Resolution Professional has made an application before Securities Appellate Tribunal (SAT) in this matter vide appeal no 136 of 2017, the matter is still pending for adjudication and the same is being adjudicated by the SAT. The delay in submission of financial statements is primarily due to non-availability of sufficient funds in the company, COVID impact, non-cooperation from directors and employees. Despite the fact that all employees have been discharged from the rolls of the company, the liquidator is doing best possible efforts to put together the balance sheet and profit and loss account with aid and advice of retainers and consultants. Kindly note, the corporate debtor has a complex structure, and it requires the certain level of skill and expertise to finalise the books.
- 1G In order to investigate the transactions, the Liquidator has engaged SLO Technologies Private Limited (ADVARISK), as a forensic auditor in accordance with the applicable law read with the order of the Hon'ble National Company Law Tribunal, New Delhi.
- 1H The figures in the financial statements relating to previous year are being revised or restated and have been duly incorporated post reconciliation of respective ledgers. Due to such revision subsequent changes have been taken into consideration while preparing this financial statement.

Notes on Standalone Financial Statement for the period ended 31st Mar, 2021

(The previous year figures have been regrouped / reclassified, wherever necessary to conform to the current year presentation)

Notes:**Amount in ₹**

- 33.1** - The company has received a Show Cause Notice U/s 279 (1) of the IT Act 1961 for initiation of prosecution proceedings U/s 276 (B) of the IT Act 1961 for failure to deposit the deducted Tax at Source within due date in Central Government Account for financial year 2013-14, 2014-15, 2015-16 & 2016-17. The Resolution Professional has communicated to the IT department about the ongoing CIRP and requested the IT department to withdraw the aforesaid notice and not to proceed with any further actions against the company in this regard.
- 33.2** - The company had received order of the Regional Provident Fund Commissioner in the matter of levy of damages pertaining to the earlier years U/s 14 B of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 aggregating to ₹53.01 Lakhs for the financial years 2013-2016 and ₹43.21 Lakhs for the financial years 2014-2017. The company has filed an appeal U/s 7-I of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 with Employees' Provident Fund Appellate Tribunal, Delhi regarding the damages amounting to ₹96.22 Lakhs and the matter is presently sub-judice.
- 33.3** - Out of bank guarantee of INR 28,576.39 Lacs, bank guarantee of INR 14,388.11 Lacs has been invoked during CIRP period.
- 33.4** - Tax liability has been raised consequent to assessment of Income-tax, Service-tax, Sales-tax etc. cases. Against these demand, the company has filed appeals to higher authorities. The company is contesting the demand and the Management including tax advisors believe that its position will likely be upheld in the appellate process. The management believes that the ultimate outcome of these proceedings will not have a material adverse effect on the company's financial position and results of operation.

Total	23,64,45,24,864	23,64,45,24,864	23,64,45,24,864

**Notes on Standalone Financial Statement for the period ended 31st Mar, 2021**

(The previous year figures have been regrouped / reclassified, wherever necessary to conform to the current year presentation)

Notes:**Amount in ₹****The following methods and assumptions were used to estimate the fair values:**

Long-term fixed-rate and variable-rate receivables/borrowings are evaluated by the company based on parameters such as interest rates, specific country risk factors, and individual credit worthiness of the customer and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected credit losses of these receivables.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

35 Financial risk management objectives and policies

The company's principal financial liabilities, other than derivatives, comprise loans and borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the company's operations.

The company's principal financial assets include investment in equity instruments, loans, trade and other receivables, and cash and short-term deposits that derive directly from its operations and security deposits.

The company is exposed to market risk, credit risk and liquidity risk. Since the company is admitted under CIRP Proceedings, the company's CoC (Committee of Creditors) oversees the management of these risks. CoC only advises on financial risks and the appropriate financial risk governance framework for the company.

CoC provides assurance that the company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the company's policies and risk objectives. All derivative activities for risk management purposes are carried out by CoC alongwith specialist teams that have the appropriate skills, experience and supervision. It is the company's policy that no trading in derivatives for speculative purposes may be undertaken. The CoC reviews and agrees policies for managing each of these risks, which are summarised below.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Company is exposed to only currency risk as company do not have any floating interest borrowings and no price risk.

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. Company's exposure to the risk of changes in foreign exchange rates relates primarily to the company's operating activities (when revenue or expense is denominated in a foreign currency).

The company exposes to foreign currency risk as at 31 March 2021 are as follows:

Year	Particulars	USD	Riyal	Kyat
2021	Trade payables	16,508	45,87,983	17,16,20,614
	Trade receivables	25,31,036	28,40,603	15,57,17,568
2020	Trade payables	16,508	48,09,268	15,70,87,413
	Trade receivables	23,68,947	33,94,726	15,57,17,568

Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD, RIYAL and KYAT exchange rates, with all other variables held constant. The impact on the company's profit before tax is due to changes in the fair value of monetary assets and liabilities. The company's exposure to foreign currency changes for all other currencies is not material.

Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, loan to related/unrelated parties.

Trade receivables

Outstanding customer receivables are regularly monitored by the CoC. An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on exchange losses historical data. The company does not hold collateral as security. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are mainly government authorities.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the CoC in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the CoC on an annual basis, and may be updated throughout the year subject to approval of the CoC. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Liquidity risk

CoC monitors its risk of a shortage of funds using a liquidity planning. The company remains committed to maintaining a healthy liquidity and gearing ratio.

41 Disclosures in respect of Joint Ventures

Balances of Joint Ventures have not been merged on line by line item for the current year as well as for the previous year, hence, no disclosure of interest in Joint Ventures has been given.

42 Disclosure pursuant to Accounting Standard AS 15 (Revised) Employees Benefits, the disclosures as defined in the Accounting Standard are given below:

Defined Contribution Plan

Contribution to Defined contributions Plan, recognised as expenses for the year is as under:

Particulars	As At 31st March, 2021 (₹ in Lacs)	As At 31st Mar, 2020 (₹ in Lacs)
Employer's contribution to Provident Fund	4.40	5.42

The Company is Registered under The Employee's Provident Fund Scheme, 1952 . Interest is given by the Central Government as per applicable statutory rates.

Defined Benefit Plan

The Employee's Gratuity Fund scheme is managed by Trust (Life Insurance Corporation of India) except the Gratuity fund contribution of Joint Ventures of the company, is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation of leave encashment is recognised in the same manner as gratuity.

No actuarial valuation has been made. Gratuity has been booked as expenditure on estimated basis only. Hence, no disclosure of defined benefit plans has been given.

43 Balances of some of the parties, including some related parties, are subject to reconciliation/ confirmation.
